**REGARDING: Chiropractic Adjustments:**

I have been advised that chiropractic care, like all forms of health care, holds certain risks. While the risks are most often very minimal, complications such as sprain/strain injuries, irritation of a disc condition, and although rare, minor fractures, and possible stroke-which occurs at a rate between one instance per one million to one per two million, have been associated with chiropractic adjustments.

Care objectives, as well as the risks associated with chiropractic adjustments and all other procedures provided at Blumsack Family Chiropractic, LLC have been explained to me to my satisfaction and I have conveyed my understanding of both to the doctor. After careful consideration, I do hereby consent to care by any means, method, and or techniques, the doctor deems necessary to treat my condition at any time throughout the entire clinical course of my care.
